New RLF Ordinance Effective May 1, 2010

Snowmobiles:

Old Ordinance: Were prohibited from operating in business district and on certain streets.

New Ordinance: No restrictions on streets, clearer language on sidewalk restrictions. 15 mph speed limit. Everything else stays the same and is covered by state law. 12-yr old – 14-yr old operation rules still falls under state statute.

Golf Carts:

Old Ordinance: Illegal to operate anywhere.

New Ordinance:

- \$10.00 annual city license for each vehicle, covers all licensed operators
- must have liability insurance
- day light hours only
- no sidewalks (excluding golf course to Dow Ave)
- no bike path (excluding 1st Street to Harren Drive to allow North-South travel)
- license will be valid on any city street or alley
- must display slow moving vehicle sign (Thompson's will stock them)
- must have valid drivers license
- can cross Hwy #32 but can not operate on Hwy #32
- can be used for regular transportation
- 15 mph speed limit, stay towards shoulder
- City may revoke permit for illegal activity

ATV's:

Old Ordinance: None - illegal to operate in city limits.

New Ordinance:

- \$10.00 annual city license for each vehicle, covers all licensed operators
- must have liability insurance
- must have DNR public use license
- daylight hours only
- 15 mph speed limit, stay towards shoulder
- no bike path (excluding 1st Street to Harren Drive to allow North South travel)
- license will be valid on any city street or alley
- must have valid drivers license
- can cross Hwy #32 but can not operate on Hwy #32
- can be used for regular transportation
- all other DNR rules apply i.e.: helmet under 18-yr old
- must have headlight taillight on at all times
- no sidewalks
- City may revoke permit for illegal activity

RLF City Permits are available at City Hall for \$10.00 per calendar year, per ATV or Golf Cart.

- Must have proof of liability insurance. (Golf Carts and 4 Wheelers)
- ATV's must have DNR public use license. (Class 1, 2 ATV's and 3 wheelers)
- Golf Carts must display a slow moving vehicle sign on the rear of the golf cart. (RLF city license tab must be placed on slow moving vehicle sign.)
- ATV's must display/place the RLF city license sticker along with the DNR license.
- Slow moving vehicle signs are available at Haugen's Hardware.
