RED LAKE FALLS FAN APPRECIATION NIGHT

🕒 OCTOBER 23, 2017

Thief River Falls, MN | The Thief River Falls Norskies have announced that the previously scheduled game on October 27th in Red Lake Falls has been moved to the Ralph Engelstad Arena in Thief River Falls.

While the Norskies value the opportunity to play in the Cardin-Hunt Arena, their league leading 10-0 start has increased expectations for attendance at the game. The Norskie organization does not want any fan that wants to attend to be excluded due to space limitations.

To honor Red Lake Falls, the Norskies are declaring October 27th Red Lake Falls Fan Appreciation Day and offering a \$5 discount on tickets to anyone with a Red Lake Falls address on their driver's license. All children under 12 who accompany a Red Lake Falls driver's licensed adult will get free admission.

We look forward to another competitive game against the Fort Frances Lakers with Red Lake Falls native Bailey Schmitz starting in the goal.
